

Young illegal immigrants coming out

Published on Wed, May 16, 2012

[IPC information](#) [1] on the DREAM Act was used in a CovNews Article about undocumented youth 'coming out' of the shadows:

Regardless of the policy change, even critics acknowledge it's simply not feasible to deport all of these youths. According to the nonpartisan American Immigration Council, an estimated 2.1 million young people might qualify for legal status under the DREAM Act. About 65,000 such students graduate from American high schools every year.
