

# An Economic Look At Immigration Reform

## What Legalizing Undocumented Immigrants Would Mean for the U.S. Economy

**Washington D.C.** - The Immigration Policy Center (IPC) will release a wide-ranging review of [academic and government data](#) [1] that shows what legalizing undocumented immigrants would mean for the U.S. economy today, **Monday, April 13th at 2pm EST.**

Join leading economic analysts Gerald D. Jaynes, David Dyssegaard Kallick and Dan Siciliano, along with UFCW labor leader Esther Lopez, to learn more about how comprehensive immigration reform that includes a path to legalization for undocumented workers would impact wages and working standards; affect tax revenue; and address undocumented immigration.

### WHAT:

On-the-record, telephonic press briefing with Q&A to discuss an IPC summary of recent research on what legalizing undocumented immigrants would mean for the U.S. economy.

- Listen to the [telephonic briefing](#) [2]
