HENRY CEJUDO'S AMERICAN VICTORY

Henry Cejudo's remarkable journey follows an unlikely hero, the son of un-documented immigrants, from the mean streets of South Central L.A. to the glory of the Beijing Olympics. The youngest American to ever win a gold medal in the freestyle wrestling event, Henry's grit, passion, and resolve on display in China was a culmination of a life spent fighting-both on and off the mat.

American Victory is Henry's poignant and powerful memoir of rising above the statistics and the dangers to be a winner, a hero who embodies the American Dream.

"American Victory represents a triumph of the human spirit. Cejudo is the latest in a long line of unlikely heroes to emerge from harsh circumstances and succeed at the Olympics."
~Los Angeles Times

"[Cejudo's] is a story about change-for himself, for his family...The gold medal, and his path to it, changed so many lives along the way."
~The New York Times
