**Make that donation and your job is done!**

**What if my employer pays my AILA dues, but not the donation?** You're in luck! You can still participate in the competition by donating directly to the American Immigration Council through your [Chapter donation page](#).

**If I gave earlier this year does that count?** Yes. If you made a *non-event* donation to the Council earlier this year we will count that toward the competition, BUT why not give again and increase your Chapter's chances of winning?

**Is there anything else I can do to help my Chapter win?** Yes! For the first time ever, Chapters can raise money from outside sources! Ask friends, neighbors, relatives, former clients, etc. to give to the Council and help your Chapter earn more points! All donations given through your [Chapter's donation page](#) will count toward your Chapter's total.

**What if my Chapter never wins anything, is there any immediate gratification?** In addition to the warm and fuzzy feeling you'll get for making a tax-deductible donation to an organization started by AILA members, everyone who donates \$50 or more will be emailed a link to a complimentary PDF compilation of all the Legal Action Center's Practice Advisories!

**With all these great incentives, how can you not participate?**
