COMPLAINT FOR DECLARATORY  
AND INJUNCTIVE RELIEF AND  
PETITION FOR NATURALIZATION  
PURSUANT TO 8 U.S.C. § 1447(B)

CLASS ACTION

## INTRODUCTION

1  
2 1. Plaintiffs-Petitioners, Daniel Tartakovsky, Mohammad Hashim Naseem, Zahra  
3 Jamshidi, and Mehdi Hormozan (referred to collectively as Plaintiffs), respectfully submit this  
4 Complaint for Declaratory and Injunctive Relief and Petition for Naturalization pursuant to  
5 8 U.S.C. § 1447(b). A motion for class certification will be filed in due course.

6 2. Plaintiffs are all long-time lawful permanent residents of the United States.  
7 Having met all statutory requirements each of them has sought to become a citizen of this country  
8 by applying for naturalization. However, despite successfully undergoing their naturalization  
9 interviews and clearing criminal background checks more than two or three years ago, none of the  
10 Plaintiffs has received an adjudication from the U.S. Bureau of Citizenship and Immigration  
11 Services ("CIS") because a so-called "FBI name check" for each remains pending.

12 3. Defendants-Respondents (referred to collectively as Defendants) are officers of  
13 CIS, the Federal Bureau of Investigation ("FBI") and the Attorney General of the United States  
14 and are responsible for the naturalization process, including the FBI name check, which CIS  
15 requires for naturalization despite the absence of any promulgated rule or regulation requiring it.

16 4. Each Plaintiff therefore seeks to be naturalized by this Court, as Congress has  
17 authorized through the Immigration and Nationality Act. *See* 8 U.S.C. § 1447(b) (district court  
18 may make a determination of a naturalization application if there has been no adjudication within  
19 120 days of an initial examination – i.e., the applicant's naturalization interview.) *See United*  
20 *States v. Hovsepien*, 359 F.3d 1144, 1151 (9th Cir. 2004) (*en banc*).

21 5. In failing to adjudicate the Plaintiffs' naturalization applications, Defendant  
22 officers of CIS have violated CIS regulations requiring that such applications be adjudicated  
23 within 120 days of the initial examination. 8 C.F.R. § 335.

24 6. In addition, Defendant officers of both CIS and the Federal Bureau of  
25 Investigation ("FBI") have engaged in unreasonable and extraordinary delay in adjudicating  
26 Plaintiffs' naturalization applications, in violation of the Administrative Procedures Act, 5 U.S.C.  
27 §§ 555, 706, and the Due Process Clause.

28 ////

1           7. Defendants' rationale for the unreasonable delays – that the delays are required to  
2 complete "FBI name checks" – highlights an independent violation of the Administrative  
3 Procedures Act: Defendants' failure to follow the notice and comment requirements of 5 U.S.C.  
4 § 553. CIS has promulgated no regulations concerning a "name check," but nonetheless has  
5 imposed the FBI name check as a requirement for five years – without any deadlines for  
6 completion of the checks. In contrast, immigration regulations do provide for criminal records  
7 checks based on Plaintiffs' fingerprints and biographical data. 8 U.S.C. § 335.2(b). Each of the  
8 Plaintiffs has passed those specific background checks. Because Defendants' addition of the FBI  
9 name check constituted a substantive rule and causes undue burden and prejudice to Plaintiffs and  
10 other members of the proposed class, the public should have been provided notice and an  
11 opportunity to comment prior to its implementation.

12           8. The CIS Ombudsman has questioned the name check process. On June 11, 2007,  
13 the Ombudsman issued his 2007 Annual Report, which singled out name checks as a significant  
14 problem, stating, "FBI name checks, one of the security screening tools used by USCIS, continue  
15 to significantly delay adjudication of immigration benefits for many customers, hinder backlog  
16 reduction efforts, and may not achieve their intended national security objectives. FBI name  
17 checks may be the single biggest obstacle to the timely and efficient delivery of immigration  
18 benefits, and the problem of long-pending FBI name check cases worsened during the reporting  
19 period."

20           9. The Ombudsman further noted, "Unlike FBI name checks, other types of  
21 background and security checks – e.g., fingerprint checks, the Interagency Border Inspection  
22 Systems name checks (IBIS), and the Automated Biometric Identification System (IDENT)  
23 checks – return results within a few days, if not a few minutes. These law enforcement and watch  
24 list checks do not significantly prolong USCIS processing times or contribute to the USCIS  
25 backlog."

26           10. This CIS Ombudsman reports that FBI name checks cover not only a "principal  
27 subject of an investigation," but also any "person referenced in a file," such as a crime victim,  
28 witness, or other person innocent of any wrongdoing. "Name checks are not conducted by the

1 FBI as part of ongoing investigations or from a need to learn more about an individual because of  
2 any threat or risk perceived by the FBI.”

3 11. According to the Ombudsman, “Completion of the name check process may take  
4 considerable time because manual reviews of FBI files are sometimes required. This review may  
5 include FBI reporting on fragments of names of people who are not necessarily central or directly  
6 related to an investigation or law enforcement matter.... The delay caused by the FBI name check  
7 has substantial consequences to applicants and their families, as well as to our country and the  
8 economy.”

9 12. The 2007 Annual Report further states, “The Ombudsman agrees with the  
10 assessment of many case workers and supervisors at USCIS field offices and service centers that  
11 the FBI name check process has limited value to public safety or national security, especially  
12 because in almost every case the applicant is in the United States during the name check process,  
13 living or working without restriction.... USCIS maintains that the name check process is of value,  
14 but it remains unclear whether the process has added any additional value over the security  
15 processes already in place.”

16 13. The Ombudsman recommends, “Considering the protection the FBI name check  
17 provides, the cost of government resources used, and mental and actual hardships to applicants  
18 and their families, USCIS should reassess the continuation of its policy to require FBI name  
19 checks in their current form.”

20 14. Plaintiffs all have spent many years in the United States and have made this Nation  
21 their home. They seek to pledge their allegiance to their adopted country and to participate fully  
22 in U.S. society as citizens. Each of the Plaintiffs has met the statutory requirements to become a  
23 U.S. citizen, and have sought relief through requests to representatives in Congress and through  
24 formal inquiries with the government. Nonetheless, each of the Plaintiffs has been stymied in his  
25 or her efforts by the unreasonable and extraordinary delay of the Defendants.

26 15. Defendants’ failure to abide by the law is inconsistent with properly promulgated  
27 regulations and with the statutes passed by Congress. As a result, Plaintiffs are unable to  
28 participate in civic society by voting and jury service. Plaintiffs also are unable expeditiously to

1 sponsor for lawful permanent residency immediate relatives living abroad including, in some  
2 cases, their parents, spouses and children. Plaintiffs also are unable to participate freely as U.S.  
3 citizens in the Visa Waiver Program and to travel abroad and return to the United States without  
4 fear of exclusion.

5 16. Plaintiffs seek not only their own naturalization through 8 U.S.C. § 1447(b), but  
6 also seek declaratory and injunctive relief as representatives of a class of other individuals who  
7 have satisfied all statutory requirements for naturalization and are suffering similar unreasonable  
8 delays of over 120 days since their naturalization interviews. Plaintiffs ask the Court to declare  
9 that the Defendants are violating the due process rights of the Plaintiffs, as well as the  
10 Administrative Procedures Act and the immigration laws and regulations, in failing to complete  
11 all background checks necessary for adjudication of Plaintiffs' naturalization applications within  
12 120 days of their interviews.

### 13 JURISDICTION AND VENUE

14 17. The Court has subject matter jurisdiction over this case pursuant to 8 U.S.C.  
15 § 1447(b) (district court jurisdiction to adjudicate delayed naturalization applications) and  
16 28 U.S.C. § 1331 (federal question). The court may grant declaratory judgment under 28 U.S.C.  
17 §§ 2201, 2202 and Fed. R. Civ. P. 57. The Court may grant injunctive relief under Fed. R. Civ. P.  
18 65.

19 18. Venue is proper in the Southern District of California pursuant to 28 U.S.C.  
20 § 1391(e). Plaintiffs sue the Defendants in their official capacities as officers and employees of  
21 the United States. A substantial portion of the events giving rise to this Complaint occurred  
22 within this District, where the Plaintiffs' applications for naturalization are pending before the  
23 San Diego District of the CIS. In addition, venue is proper in this District pursuant to 8 U.S.C.  
24 § 1447(b), which provides that a petition for de novo review of a naturalization application shall  
25 be filed in the district in which the applicant resides. All of the Plaintiffs live within this District.

### 7 LEGAL FRAMEWORK

8 28. Federal immigration law allows persons who have been residing in the United  
9 States as lawful permanent residents to become United States citizens through a process known as  
10 naturalization.

11 29. A person seeking to naturalize must meet certain requirements, including an  
12 understanding of the English language and history and civics of the United States; a sufficient  
13 period of lawful permanent resident status and physical presence in the United States; and good  
14 moral character. 8 U.S.C. §§ 1423, 1427(a).

15 30. Persons seeking to naturalize must submit an application for naturalization to CIS.  
16 8 U.S.C. § 1445. CIS is the agency that is responsible for adjudicating naturalization  
17 applications. 8 C.F.R. § 100.2.

18 31. Once an application is submitted, CIS conducts a background investigation of each  
19 naturalization applicant. 8 U.S.C. § 1446(a); 8 C.F.R. § 335.1.

20 32. According to CIS regulations, the background investigation includes a full  
21 criminal background check performed by the FBI. 8 C.F.R. § 335.2. After the background  
22 investigation is completed, CIS schedules a naturalization examination, at which an applicant  
23 meets with a CIS examiner who is authorized to ask questions and take testimony. The CIS  
24 examiner must determine whether to grant or deny the naturalization application. 8 U.S.C.  
25 § 1446(d).

26 33. CIS must grant a naturalization application if the applicant has complied with all  
27 requirements for naturalization. 8 C.F.R. § 335.3. Naturalization is not a discretionary benefit,  
28 but a right upon satisfaction of statutory requirements.

1           34.     CIS must grant or deny a naturalization application at the time of the examination  
2 or, at the latest, within 120 days after the date of the examination. 8 C.F.R. § 335.3. Once an  
3 application is granted, the applicant is sworn in as a United States citizen.

4           35.     In general, Congress has provided that applications for immigration benefits  
5 should be adjudicated within 180 days of the initial filing of the application. 8 U.S.C. § 1571.  
6 The President has also expressed that view. *See* Remarks by the President at INS Naturalization  
7 Ceremony (July 10, 2001), available at [http://www.whitehouse.gov/news/releases](http://www.whitehouse.gov/news/releases/2001/07/print/20010710-1.html)  
8 [/2001/07/print/20010710-1.html](http://www.whitehouse.gov/news/releases/2001/07/print/20010710-1.html) (urging immigration agencies to adopt standard of six-month  
9 processing time for applications for immigration benefits).

10          36.     Plaintiffs are informed and believe that in 2002, CIS drastically expanded the  
11 scope of one type of background check known as an "FBI name check." A "name check" is a  
12 check of FBI records based on the name of the applicant. The FBI conducts the "name check"  
13 through manual and electronic searches of the FBI's centralized records. CIS requests the FBI to  
14 conduct "name checks" on all applications for naturalization.

15          37.     Plaintiffs are informed and believe that the FBI name check requirement is  
16 implemented in such a manner that it is highly likely that an applicant may be identified  
17 erroneously as a person "of interest" to the FBI, thereby delaying adjudication of the  
18 naturalization application, even though the applicant has committed no crimes and has never been  
19 a suspect in any investigation. For example, the name check may identify a different person with  
20 a name similar to the applicant's, or result in a "hit" when the applicant's name is mentioned in  
21 FBI records because he has been an innocent witness or victim of a crime, has undergone  
22 employment-related security clearances in the past, or has assisted the FBI in its work.

23          38.     Plaintiffs are informed and believe that CIS does not adjudicate applications for  
24 naturalization until it receives a completed "name check" from the FBI. CIS has not promulgated  
25 any regulations setting forth the "name check" as a prerequisite for naturalization. Neither CIS  
26 nor the FBI imposes any time limits for completion of "name checks." The FBI claims that CIS  
27 determines the order of resolution of the requested "name checks," and CIS claims that it cannot  
28 ask or require the FBI to complete "name checks" within any particular timeframe.

39. Plaintiffs are informed and believe that in April 2006, CIS implemented a new policy or practice of delaying naturalization examinations until after the "name check" is completed. Thus, for certain applicants for naturalization, lengthy delays in adjudication now occur prior to the examination, rather than after the examination. The April 2006 policy change has resulted in delayed scheduling of the naturalization examination for tens of thousands of applicants. CIS's expressed purpose for the policy change was to discourage litigation under 8 U.S.C. § 1447(b).

40. When CIS fails to adjudicate a naturalization application within 120 days of the examination, the applicant may seek de novo review of the application by a district court. 8 U.S.C. § 1447(b). When the applicant requests district court review, the district court gains exclusive jurisdiction over the application, *United States v. Hovsepian*, 359 F.3d 1144 (9th Cir. 2004), and it may naturalize the applicant. 8 U.S.C. § 1447(b).

### **FACTS**

#### **Plaintiffs**

41. Daniel Tartakovsky is a native and citizen of Russia. He entered the United States in August 1993 on an F-1 student visa to pursue doctoral studies in hydrology at the University of Arizona. Upon completing his Ph.D., Dr. Tartakovsky worked at Los Alamos National Laboratory (LANL) in New Mexico in a post-doctoral position, then as a technical staff member, and more recently as a Team Leader. Dr. Tartakovsky has been a lawful permanent resident of the United States since January 2000 and is married to a native-born citizen of the United States. Dr. Tartakovsky is currently on leave of absence from LANL. He presently works at the University of California, San Diego as a tenured professor in the mechanical and aerospace engineering department. Dr. Tartakovsky lives in San Diego, California with his wife and daughter.

42. Dr. Tartakovsky submitted his naturalization application on November 4, 2002. On June 4, 2003, Dr. Tartakovsky was interviewed by CIS and informed that he had successfully completed his naturalization interview.

////

1       43. Dr. Tartakovsky meets all statutory requirements for naturalization. He has been  
2 waiting over four years since his interview, and has yet to receive an adjudication of his  
3 application. In October 2005 and October 2006, Dr. Tartakovsky contacted the CIS Ombudsman,  
4 Mr. Prakash Kharti. He received two separate letters indicating the FBI name check remains  
5 pending.

6       44. Because he is not a United States citizen, Dr. Tartakovsky's job opportunities and  
7 ability to apply for certain grants and conduct research in certain areas are limited. He also has  
8 been unable to petition for his aging parents, who live in Russia, to become lawful permanent  
9 residents of the United States. *See* 8 U.S.C. § 1151(b)(2)(A)(i) (providing that children, spouses,  
10 and parents of U.S. citizens are not subject to worldwide limitations on numbers of visas issued);  
11 8 U.S.C. § 1153(a) (setting forth preferences for issuance of visas to unmarried sons or daughters  
12 of U.S. citizens, spouses and unmarried sons or daughters of lawful permanent residents, married  
13 sons and daughters of U.S. citizens, and brothers or sisters of U.S. citizens, in that order).

14       45. Dr. Tartakovsky's work requires him to travel abroad for professional conferences  
15 and research exchanges. Without a United States passport, it is significantly more difficult for  
16 him to travel to various countries, due to visa requirements.

17       46. Mohammad Hashim Naseem is a native and citizen of Iraq. He is of Kurdish  
18 descent. Mr. Naseem, along with his wife and four daughters, were sponsored by the World  
19 Relief Organization. They entered the United States in 1996 after being granted asylum by the  
20 U.S. government. Mr. Naseem and his family currently live in El Cajon, California.

21       47. After participating as a security guard at a military airport as part of the U.S.-  
22 sponsored Operation Provide Comfort to establish a safe zone in the Kurdish region of Iraq in  
23 1990, Mr. Naseem was given the opportunity to relocate. He and his wife and four daughters  
24 came to the United States after spending three months at Camp Haven in Guam, where they  
25 passed interviews and physical examinations conducted by U.S. Immigration Officers.

26       48. On August 23, 2004, Mr. Naseem applied for citizenship. He successfully  
27 completed his naturalization interview on March 15, 2005. At the end of the interview, the CIS  
28 officer told Mr. Naseem that he had passed his examination, but that his FBI name check

1 remained pending. A further inquiry by Mr. Naseem in October 2006 reflected no change in  
2 status. Mr. Naseem's wife has also applied for naturalization, successfully completed her  
3 interview, and has been waiting for her FBI name check to clear. Mr. Naseem meets all statutory  
4 requirements for naturalization. Nonetheless, his application has not been adjudicated.

5 49. Mr. Naseem and his family have suffered harm from the delay of his  
6 naturalization. All four daughters are lawful permanent residents. His oldest daughter will turn  
7 18 next year. If Mr. Naseem is not naturalized before his daughter's eighteenth birthday, she will  
8 lose the opportunity to obtain automatic derivative citizenship along with her father. 8 U.S.C. §  
9 1431.

10 50. Zahra Jamshidi is a native and citizen of Iran. She has been a lawful permanent  
11 resident of the United States since July 23, 1998, after arriving in the United States as a refugee  
12 with her husband and children, who were also born in Iran.

13 51. She filed her naturalization application on May 1, 2003. She was interviewed by  
14 CIS on February 2, 2004 and informed that she successfully passed her naturalization  
15 examination. She meets all statutory requirements for naturalization.

16 52. Ms. Jamshidi's husband applied for naturalization and was interviewed by CIS on  
17 or about the same date as Ms. Jamshidi. Her husband's application was approved, and he became  
18 a naturalized citizen of the United States shortly after his interview. Her children are also  
19 naturalized citizens of the United States.

20 53. Without a United States passport, Ms. Jamshidi has been unable to travel to visit  
21 her parents, who remained in Iran. Her parents were unable to travel far from Iran but could have  
22 traveled to a nearby third country, such as Turkey or Dubai, to visit Ms. Jamshidi. But without a  
23 United States passport, Ms. Jamshidi is unable to travel to those countries.

24 54. While her naturalization application has been pending, Ms. Jamshidi's father died  
25 on July 23, 2005 without having seen her in over 15 years. Ms. Jamshidi's mother is currently 78  
26 years old. However, until her naturalization application is approved, Ms. Jamshidi is unable to  
27 travel to a third country to visit her mother.

28 /////

1           55. Mehdi Hormozan is a native and citizen of Iran. Before coming to the United  
 2 States, Mr. Hormozan worked for the Iranian Air Force as a doctor and also maintained a private  
 3 practice. Mr. Hormozan became a lawful permanent resident of the United States on June 28,  
 4 1994. He is married to a naturalized United States citizen and has two sons, one of whom is a  
 5 United States citizen and one of whom is a lawful permanent resident who has applied for  
 6 naturalization.

7           56. Mr. Hormozan filed his naturalization application on October 2, 2002. He was  
 8 interviewed by CIS on September 4, 2003 and was told he successfully passed his naturalization  
 9 examination. He meets all statutory requirements for naturalization.

10          57. All Plaintiffs have been informed that their naturalization applications remain  
 11 pending and cannot be decided due to uncompleted "security checks" or "name checks."

12          58. All Plaintiffs have suffered and continue to suffer prejudice from the delay of their  
 13 naturalizations. They have been and continue to be deprived of the substantial and unique rights  
 14 and duties of U.S. citizenship, including the right to vote, the right to obtain a U.S. passport, the  
 15 right to travel freely, and the right to receive certain governmental and non-governmental  
 16 benefits.

#### 17                           **DEFENDANTS' POLICIES AND PRACTICES**

18          59. Plaintiffs are informed and believe that Defendants Pierre, Emilio Gonzalez and  
 19 Chertoff have a policy, pattern, and practice of failing to adjudicate the applications for  
 20 naturalization of the proposed plaintiff class within 120 days of the date of naturalization  
 21 examinations, because of years-long delays in the processing of "FBI name checks."

22          60. Plaintiffs are informed and believe that Defendants Pierre, Emilio Gonzalez and  
 23 Chertoff have a policy, pattern, and practice of unlawfully withholding and unreasonably  
 24 delaying the adjudication of applications for naturalization of the proposed plaintiff class, because  
 25 of years-long delays in the processing of "FBI name checks."

26          61. Plaintiffs are informed and believe that Defendants Mueller and Alberto Gonzales  
 27 have a policy, pattern, and practice of unlawfully withholding and unreasonably delaying the

28       /////

1 completion of "name checks," with the full knowledge that CIS requires the completion of such  
2 "name checks" for adjudication of applications for naturalization of the proposed plaintiff class.

3 62. Plaintiffs are informed and believe that Defendants have a policy, pattern and  
4 practice of failing to set deadlines for completing "name checks" and taking all the other  
5 reasonable steps necessary to complete the adjudication of applications for naturalization of the  
6 proposed plaintiff class.

7 63. Plaintiffs are informed and believe that Defendants Pierre, Chertoff, Emilio  
8 Gonzalez and Chertoff have a policy, pattern and practice of requiring "name checks" for  
9 adjudication of applications for naturalization of the proposed plaintiff class, despite the absence  
10 of any statutory or regulatory authorization for such "name checks."

11 64. Plaintiffs are informed and believe that Defendants do not have or use any  
12 mechanisms to identify the number and status of naturalization cases in which applicants satisfy  
13 all eligibility criteria, have passed naturalization interviews, and are awaiting adjudication solely  
14 on the basis of FBI name checks. In addition, USCIS and FBI do not have any policies or  
15 practices in place to ensure timely final adjudication of those naturalization applications.

16 65. Plaintiffs are informed and believe that Defendants do not have or use any  
17 mechanisms to track the number and status of naturalization cases in which applicants satisfy all  
18 eligibility criteria, have passed naturalization examinations, and are awaiting adjudication for  
19 more than 120 days after their naturalization examinations. In addition, USCIS and FBI do not  
20 have any policies or practices in place to ensure final adjudication of those naturalization  
21 applications.

22 66. Plaintiffs are informed and believe that Defendants Pierre, Gonzalez and Chertoff  
23 implemented the requirement of FBI name checks for naturalization without giving notice to the  
24 public and allowing a period for public comment. The Administrative Procedures Act requires  
25 such notice and comment because the FBI name check requirement is a substantive change in  
26 prior CIS policy and because the requirement has an adverse effect on individuals by causing a  
27 delay in adjudication of their naturalization applications.

28 /////

1           67. As a result of the Defendants' policies, practices, actions and omissions, members  
2 of the proposed plaintiff class have suffered injury, in that they have been unlawfully denied the  
3 rights and benefits of U.S. citizenship for at least two years or more.

4                                   **CLASS ALLEGATIONS**

5           68. Plaintiffs bring this action on behalf of themselves and all other persons similarly  
6 situated pursuant to Federal Rules of Civil Procedure 23(a) and 23(b)(2). The class, as proposed  
7 by Plaintiffs, consists of:

8           All persons residing within the Southern District of California who have  
9 submitted or will submit applications for naturalization to CIS, and who have met all  
10 statutory requirements for naturalization, and whose applications for naturalization are  
11 not adjudicated within 120 days of the date of their initial examination.

12           69. The requirements of Federal Rules of Civil Procedure 23(a) and 23(b)(2) are met  
13 in that the class is so numerous that joinder of all members is impracticable. Counsel for  
14 Plaintiffs are aware of numerous other proposed class members who are similarly situated to the  
15 named Plaintiffs in this District alone. Counsel are aware of many others similarly situated  
16 elsewhere in California. Plaintiffs are not aware of the exact numbers of putative class members  
17 because Defendants are in the best position to make that determination.

18           70. There are questions of law and fact common to the proposed class that  
19 predominate over any questions affecting only the individually named Plaintiffs, including:  
20 (1) whether CIS's failure to adjudicate the applications for naturalization of the proposed plaintiff  
21 class within 120 days of the date of naturalization examinations, due to delays in "name checks,"  
22 violates the Due Process Clause, the Immigration and Nationality Act and implementing  
23 regulations and the Administrative Procedures Act; (2) whether CIS's imposition of a name check  
24 requirement violates the notice and comment provision of the Administrative Procedures Act;  
25 (3) whether the FBI's actions in unlawfully withholding and unreasonably delaying the  
26 completion of "name checks," with the full knowledge that CIS requires the completion of such  
27 "name checks" for adjudication of applications for naturalization of the proposed plaintiff class,  
28 violates the Constitution and laws of the United States, including the Administrative Procedures

1 Act; and (4) whether CIS and the FBI's failure to set deadlines for completing "name checks" and  
2 failure to take all the other reasonable steps necessary to complete the adjudication of applications  
3 for naturalization of the proposed plaintiff class, violates the Constitution and laws of the United  
4 States, including the Administrative Procedures Act.

5 71. The claims of the named Plaintiffs are typical of the claims of the proposed class.  
6 The named Plaintiffs, like all class members, have not had their applications for naturalization  
7 adjudicated despite the passage of over 120 days since their naturalization examinations, and they  
8 have been denied timely completion of "name checks" which CIS requires for adjudication of  
9 their applications; and their applications for naturalization have been unlawfully withheld or  
10 unreasonably delayed on the basis of "name checks."

11 72. Like the named Plaintiffs, members of the proposed class are suffering prejudice  
12 from the delay of their naturalization applications, including the inability to participate in civic  
13 society by voting and jury service, the effective inability to sponsor immediate relatives for lawful  
14 permanent resident status, the inability to travel freely as U.S. citizens, and the harm of having an  
15 uncertain status in the country they have made their home and where they have established  
16 themselves as part of a community.

17 73. The named Plaintiffs will fairly and adequately represent the interests of all  
18 members of the proposed class because they seek relief on behalf of the class as a whole and have  
19 no interests antagonistic to other members of the class. The named Plaintiffs are represented by  
20 pro bono counsel from the ACLU Immigrants' Rights Project, the ACLU Foundation of San  
21 Diego & Imperial Counties, and DLA Piper US LLP, who have extensive expertise in class action  
22 litigation and/or immigrants' rights cases. Finally, the Defendants have acted on grounds  
23 generally applicable to the class, thereby making appropriate final injunctive relief with respect to  
24 the class as a whole.

#### 25 **DECLARATORY AND INJUNCTIVE RELIEF ALLEGATIONS**

26 74. An actual and substantial controversy exists between Plaintiffs and Defendants as  
27 to their respective legal rights and duties. Plaintiffs contend that Defendants' actions violate  
28 Plaintiffs' rights and the rights of proposed class members. Defendants contend the opposite.

75. Defendants' failure to timely process Plaintiffs' naturalization applications, including any name check, has caused and will continue to cause irreparable injury to Plaintiffs and other class members. Plaintiffs have no plain, speedy, and adequate remedy at law.

## **CAUSES OF ACTION**

### **COUNT ONE**

#### **RIGHT TO DE NOVO JUDICIAL DETERMINATION OF APPLICATION**

#### **FOR NATURALIZATION**

#### **8 U.S.C. § 1447(b)**

#### **[By the Named Plaintiffs Against Defendants Pierre, Gonzalez and Chertoff]**

76. The allegations contained in paragraphs 1 through 75 above are repeated and incorporated as though fully set forth herein.

77. Because Respondents have failed to adjudicate each named Plaintiff's naturalization application within 120 days after the date of his naturalization examination, each named Plaintiff is entitled to de novo adjudication of his naturalization application by this Court under 8 U.S.C. § 1447(b).

78. This Court should grant each named Plaintiff's naturalization application pursuant to 8 U.S.C. § 1447(b), because each named Plaintiff meets all of the requirements for naturalization under chapter 2 of the Immigration and Nationality Act, 8 U.S.C. § 1421 et seq., and therefore has a right to become a naturalized citizen of the United States.

### **COUNT TWO**

#### **UNREASONABLE DELAY**

#### **IN VIOLATION OF THE ADMINISTRATIVE PROCEDURES ACT**

#### **[By the Named Plaintiffs on Behalf of the Proposed Class Against All Defendants]**

79. The allegations contained in paragraphs 1 through 78 above are repeated and incorporated as though fully set forth herein.

80. The Administrative Procedures Act requires administrative agencies to conclude matters presented to them "within a reasonable time." 5 U.S.C. § 555. A district court reviewing agency action may "compel agency action unlawfully withheld or unreasonably delayed."

1 5 U.S.C. § 706(1). The court also may hold unlawful and set aside agency action that, inter alia,  
2 is found to be: "arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with  
3 law," 5 U.S.C. § 706(2)(A); "in excess of statutory jurisdiction, authority, or limitations, or short  
4 of statutory right," 5 U.S.C. § 706(2)(C); or "without observance of procedure required by law,"  
5 5 U.S.C. § 706(2)(D). "Agency action" includes, in relevant part, "an agency rule, order, license,  
6 sanction, relief, or the equivalent or denial thereof, or failure to act." 5 U.S.C. § 551(13).

7 81. The failure of Defendants Pierre, Emilio Gonzalez and Chertoff to adjudicate the  
8 applications for naturalization of the proposed plaintiff class within 120 days of the date of  
9 naturalization examinations on the basis of uncompleted "name checks," in violation of 8 U.S.C.  
10 § 1446(d) and 8 C.F.R. § 335, violates the Administrative Procedure Act, 5 U.S.C. § 555(b);  
11 5 U.S.C. §§ 706(1), 706(2)(A), 706(2)(C), 706(2)(D).

12 82. The failure of Defendants Alberto Gonzales and Mueller to timely complete "name  
13 checks," with the full knowledge that CIS requires the completion of such "name checks" for  
14 adjudication of applications for naturalization of the proposed plaintiff class, violates the  
15 Administrative Procedure Act, 5 U.S.C. § 555(b); 5 U.S.C. §§ 706(1), 706(2)(A), 706(2)(C),  
16 706(2)(D).

17 83. Defendants' failure to set deadlines for completing "name checks," to track the  
18 number and status of naturalization cases awaiting final adjudication solely on the basis of FBI  
19 name checks, to track the number and status of naturalization cases awaiting final adjudication for  
20 more than 120 days after the naturalization examinations, and to take all the other reasonable  
21 steps necessary to complete the adjudication of applications for naturalization of the proposed  
22 plaintiff class, in violation of 8 U.S.C. § 1446(d) and 8 C.F.R. § 335, violates the Administrative  
23 Procedures Act, 5 U.S.C. § 555(b); 5 U.S.C. §§ 706(1), 706(2)(A), 706(2)(C), 706(2)(D).

24 84. As a result of Defendants' actions, Plaintiffs and members of the proposed class  
25 have suffered and continue to suffer injury. Declaratory and injunctive relief are therefore  
26 warranted.

28 ////

**COUNT THREE****FAILURE TO FOLLOW NOTICE-AND-COMMENT REQUIREMENTS OF THE  
ADMINISTRATIVE PROCEDURES ACT****[By the Named Plaintiffs on Behalf of the Proposed Class Against All Defendants]**

85. The allegations contained in paragraphs 1 through 84 above are repeated and incorporated as though fully set forth herein.

86. By regulation, CIS is required to conduct a criminal background check before a naturalization application can be granted. 8 C.F.R. § 335.2(b). Prior to about November 2002, CIS used criminal databases such as NCIC to complete this process.

87. In or about November 2002, CIS implemented an expanded version of another background check known as an FBI name check, which goes beyond the criminal background check required by statute and regulation. Unlike the databases searched during the criminal background checks, the expanded FBI name check runs applicants names against a database containing names of persons who have never been convicted of, arrested for, or even suspected of a crime – including innocent witnesses and even crime victims. This added requirement of a name check constitutes a substantive rule that departed from prior policy and practice.

88. Defendants implemented the expanded FBI name check requirement for naturalization without giving notice and providing a period for public comment, even though the name check requirement constitutes a substantive rule that departed from prior policy and practice.

89. Defendants' failure to provide a notice-and-comment period prior to implementing the FBI name check requirement violates the Administrative Procedures Act, 5 U.S.C. § 553.

**COUNT FOUR****VIOLATION OF FIFTH AMENDMENT DUE PROCESS CLAUSE****[By the Named Plaintiffs on Behalf of the Proposed Class Against All Defendants]**

90. The allegations contained in paragraphs 1 through 89 above are repeated and incorporated as though fully set forth herein.

////

1           91.     The Due Process Clause of the Fifth Amendment prohibits the government from  
 2     depriving any person of life, liberty or property without due process of law. Plaintiffs have a  
 3     liberty or property interest in adjudication of their naturalization applications within 120 days of  
 4     their naturalization interviews.

5           92.     Defendants Pierre, Emilio Gonzalez and Chertoff have a pattern, practice or policy  
 6     of failing to adjudicate the applications for naturalization of the proposed plaintiff class within  
 7     120 days of the date of naturalization examinations because of delays in "name checks," in  
 8     violation of 8 U.S.C. § 1446(d) and 8 C.F.R. § 335. Defendants Alberto Gonzales and Mueller  
 9     have a pattern, practice or policy of failing to timely complete "name checks," with the full  
 10    knowledge that CIS requires the completion of such "name checks" for adjudication of  
 11    applications for naturalization of the proposed plaintiff class. Defendants have a pattern, practice  
 12    or policy of failing to set deadlines for completing "name checks" and to take all the other  
 13    reasonable steps necessary to complete the adjudication of applications for naturalization of the  
 14    proposed plaintiff class, in violation of 8 U.S.C. § 1446(d) and 8 C.F.R. § 335. These actions by  
 15    Defendants violate Plaintiffs' rights to due process of law.

16           93.     As a result of Defendants' actions, Plaintiffs and members of the proposed class  
 17    have suffered and continue to suffer injury. Declaratory and injunctive relief are therefore  
 18    warranted.

### 19                               **PRAYER FOR RELIEF**

20           WHEREFORE, in view of the arguments and authority noted herein, Petitioner prays for  
 21    the following relief:

- 22           a.     Assume jurisdiction over the matter;
- 23           b.     Certify this case as a class action lawsuit, as proposed herein;
- 24           c.     Review de novo and grant the named Plaintiffs' applications for naturalization,  
 25    pursuant to 8 U.S.C. § 1447(b);
- 26           d.     Order Defendants to promptly adjudicate, in a time period not to exceed 90 days,  
 27    the currently pending applications for naturalization of all members of the proposed class;

28    ////

1 e. Order Defendants to adjudicate, within 180 days of the application date, all  
2 applications for naturalization that shall be submitted in the future by members of the proposed  
3 class, as required by governing law;

4 f. Order that any name checks Defendants choose to conduct shall be completed in a  
5 manner that does not delay adjudication of naturalization applications by members of the  
6 proposed class beyond 120 days of the applicant's naturalization examination;

7 g. Order Defendants to adopt a procedure for identifying naturalization cases  
8 awaiting final adjudication based solely on FBI name checks, and for identifying naturalization  
9 cases awaiting final adjudication for more than 120 days after successful completion of  
10 naturalization examinations;

11 h. Issue a declaratory judgment holding unlawful: (a) the failure of Defendants  
12 Pierre, Emilio Gonzalez and Chertoff to adjudicate applications for naturalization within 120 days  
13 of the date of the naturalization examination; (b) the failure of Defendants Alberto Gonzales and  
14 Mueller to complete "name checks" within a reasonable time; and (c) Defendants' failures to take  
15 all necessary steps to adjudicate applications for naturalization within 120 days of the date of the  
16 naturalization examinations.
